PLAINTIFF'S MOTION TO REMOVE INCORRECTLY FILED DOCUMENT

Defendants.

Plaintiff respectfully requests that an order be granted to remove Docket No. 1 (Plaintiff's Complaint) from the docket on the grounds that an exhibit (Docket No. 1-1) contains highlighting reflecting attorney work product. Plaintiff's counsel inadvertently filed the exhibit containing highlighting when counsel intended to file the exhibit with no highlighting. Plaintiff contacted the ECF Helpdesk to request that the incorrectly-filed document be locked and filed a Corrected Complaint (Docket No. 9) with the proper exhibit. Plaintiff respectfully requests that Docket No. 1 be permanently deleted from the docket.
